

The original resort property was founded in the 1850s where the first trading post in the northwoods was located. The trading post, known as the Kee Mi Con (translated "I found it") grew rapidly developing a post office and bank. The first county votes for President Lincoln were cast here at the trading post.

As the years passed, the property evolved into Eagle Waters Resort where many families have enjoyed the "good life," year after year. Our northern Wisconsin resort has served many memorable meals and hosted some galas folks still talk about. Many weddings and parties have been celebrated on the grounds. A past tradition called for a tree to be planted for each couple married at the resort. Many families still return to visit their tree and recollect.

Now open is the new Trading Post building featuring Check-in, an internet library, conference room, exercise, sauna, locker, massage rooms, as well as a general store and gift shop with antiques.

Our northwoods vacation resort offers 24 Kee Mi Con Lodge units, all of which include full kitchens, washer/dryer, gas fireplace, air conditioning, satellite TV, phone and a lakeview. There are 15 cabins ranging from brand new to rustic with a northwoods charm and 6 additional condo units.

The staff at Eagle Waters is committed to making your dining experience enjoyable. Our dining room menu has been carefully prepared to offer unique specialties. Our meals are cooked from scratch and you cannot rush home-style cooking. Please enjoy our surroundings while you wait for your meal. Our chef will happily prepare your dinner of choice and vary the menu to your liking.

If you have any special requests, please ask your waitstaff or your hostess. Bon Appetit!
