

Eagle Waters: Buffet Dinner Menu Options

How It Works

Our dinner buffets are a unique alternative to a formal plated meal. We serve soup or salad, dessert and coffee tableside, while the main course is served buffet style. Your guests make their own individual selections. Buffet menu options include special-theme menus; family style menus or you may mix and match items to your liking. There are three basic plans available. All three plans include soup or salad, vegetable, rolls, butter and coffee. *Minimum 25 people.*
