Celebration Stories

“My husband and I got married here a few weeks ago and the day was perfect! It couldn’t have been done without Eagle Waters and their staff! The entire weekend ran smoothly, from the rehersal dinner the night before, ceremony by the lake, and the reception that night! It was extremely organized and flowed really nicely! The food and service were great - I have heard great things about both from our guests! I would highly recommend anyone considering getting married here to do so! You won’t regret it!”
- Mikala R.

“Both my children, son and daughter, had their receptions at Eagle Waters resort and restaurant, and Laura does an amazing job planning and coordinating every detail. Couldn’t have picked a better venue! Laura and her great staff are amazing. We try to celebrate each anniversary with Eagle Waters as often as we can and continue to meet great friends. Love the Northwoods.”
- Barbara D.

“We recently hosted my husband’s surprise 40th birthday at the resort over Labor Day weekend with a group of 25+ people, and it could not have been more perfect! On Saturday evening, the resort catered a wonderful birthday dinner and set up tables by the fire pit on the most beautiful night—it made celebrating my husband’s milestone birthday so easy and memorable.”
- Christina B.

We were married here winter 2024! Absolutely beautiful, it was the up north winter wedding of our dreams. There is lodging on site and the rooms and cabins were gorgeous. Food was absolutely amazing and everyone involved in the service for rehearsal and the wedding was top notch and so welcoming. Would 100% pick this as our venue over and over again.
- Taylor S.

“I went to a wedding that was held here and the food that they served was excellent and the servers were great they were very quick at taking away our empty plates. I will happily go back again and I highly recommend the egg rolls.”
- Kristin B.

“Attended a wedding at this venue, and it was gorgeous and clean! The views and the setup were on point. The food was really delicious, too!”
- Kim S
